COMPLETE THIS QUESTION ON A SEPARATE PIECE OF PAPER THAT YOU ATTACH TO THIS FORM.	10. "Perception versus reality" is the idea that the way we see the world (our perception) sometimes doesn't match what is real (reality). Look back over the WHOLE BOOK. In a bulleted list, identify <i>as many moments as you can</i> where <b>the pigs are trying to shape the animals' perceptions of reality</b> . Format your list like this: <ul style="list-style-type: none"> <li>▪ Page 820: Squealer <i>says</i> that milk and apples are necessary for the pigs' well-being, but <i>in reality</i> the pigs are just being greedy and taking all of the food.</li> </ul>
