

HOW CAN YOU HELP BUDDING SCIENTISTS?

*Southwest Washington Science and Engineering Fair
Saturday, February 26, 2011*

Skyview High School

1. Volunteer to judge or officiate-a commitment of 6 hours .You can judge in an area of your expertise.
 2. Sponsor an award of your choice- it can be as small as a certificate, or as large as a prize or cash award. These awards recognize students who do a good job in the area you wish to encourage, such as medicine and health, energy conservation, novel use of materials, or computer use. Award sponsors can judge their own award or leave it to the judging panel in the category
 3. Come to the fair and express your appreciation for students' efforts.
- Exhibits are open to the public from 1 to 3:30 PM

Contact the director to
volunteer or sponsor.
